

PRIME LAMINATE FLOOR COLLECTIONS

Laminate

Prime Laminate Flooring Warranty

Party to be covered

The original purchaser is covered by this warranty. In the event that a builder or developer purchases the Prime Laminate Flooring ("Flooring"), the occupant of the site on which the Flooring is installed is covered by this warranty.

Australian Consumer Law

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Acceptable Quality

The Flooring is fit for use in internal installations only and should not be used external environments, Furthermore, The Flooring must be installed as a floating floor. The Flooring should be installed in an area which is occupied, protected from direct heat and sunlight and where heating and cooling system are in place and used to control the internal temperatures and humidity before, during and after installation. The Flooring must not be installed in wet areas including bathrooms, toilets, areas or rooms where a floor water drain is required or present.

Topdeck International Pty Ltd warrants the original purchaser that the flooring in the original manufactured state free from structural defects, Life Time Structure Warranty in residential applications and 7 years for commercial uses. We warrant to the original purchaser that the wear layer (Coating Warranty) will not peel or separate from the flooring plank in residential applications for 20 years and 10 for commercial uses if it is installed and maintained according to the Prime Laminate Flooring Installation Guideline and Prime Laminate Flooring Maintenance & Care instructions.

Major Failure

The Flooring top wear layer used is not scratch or chip proof and reasonable care should be taken to avoid scratching and chips from occurring. Scratches, chips, gap or small blemishes are not considered as major failure. They are considered part of purchasing a laminate Floor. Seasonal change resulting in slight gapping, consistently over many planks along with incidental movement of planks would be considered normal as a part of building environment and would not constitute a **Major Failure**. These definitions are not intended to diminish or reduce the statutory rights of any purchaser. This warranty only covers the manufactured goods. Installation warranties should be obtained from the Installation Company or individual completing the installation.

Prior to installation

(1) The owner/installer must inspect all material to ensure that there are no visible defects and that all materials match the order. Should the person doing the installation determine that the product has any possible defect please call us immediately for inspection and possible replacement prior to installation. All questions of product quality are to be addressed prior to installation. Topdeck International Pty Ltd makes no warranty or guarantee of the quality of the chosen installer's work or of a particular installation performed by them. It is the sole responsibility of the installer/owner to ensure that site conditions are acceptable for the installation of the flooring. Topdeck International Pty Ltd declines any responsibility or material failure resulting from or connected with site conditions or installation methods.

(2) This limited warranty is not transferable and is valid only to the original purchaser at the original installation site. The floor must be installed in indoor areas.

(3) The product must be stored in a completed building where it is protected from the environment, meaning, the building must have a sub-floor, roof, walls windows & doors in a completed operational state. The product is to be kept in the packaging just prior to installation. Prime Laminate Flooring should only be installed in the final stages of completion of a construction project with all trades people having left the site. All work involving water or moisture should be completed prior to installation.
