Zenith 1800

Zenith 1800 is the pinnacle of hybrid flooring, offering the most natural timber look yet with a super matte finish, more film design variation, and embossed-in-register texture for stunning realism. Its 10mm thick profile delivers a premium feel underfoot, while the advanced multilayer construction and M-Core with aerated core technology ensure improved locking strength, enhanced stability, and surprisingly lightweight handling. With a 6 Star Acoustic Rating, Zenith 1800 combines top-tier performance with sophisticated design.
