Calm

Discover a quieter, softer way to live with Calm Acoustic Vinyl Plank
— where natural warmth meets peaceful design.

Advanced Acoustic Flooring for Modern Living

New high-performance floor covering: 5mm Acoustic Vinyl Plank. This is designed to meet stringent acoustic requirements for modern commercial and residential projects.

- Total Thickness: 5mm (4mm Vinyl + 1mm Integrated Underlay)
- Acoustic Rating: L'nT,w 52 (19dB reduction) on a standard 180mm slab (without a suspended ceiling)

This exceptional acoustic performance makes it an ideal solution for multi-level dwellings and commercial spaces where noise transfer mitigation is critical.
