DecoLine Vinyl Plank

Vinyl flooring from DecoLine offers an exceptional choice for busy families, combining durability, longevity, and easy maintenance. It meets high slip-resistance standards (R10) set by Australia, ensuring safety is a top priority. The flooring's exquisite wooden detailing adds a touch of luxury, providing a warm and inviting feel that enhances comfort, especially during those early morning walks.

Why Choose Decoline

At DecoLine, we prioritise the health and well-being of your family.

That's why our vinyl flooring is designed with an advanced anti-bacterial shield, ensuring a clean and hygienic environment at home. Enjoy the luxurious feel and authentic look of DecoLine vinyl flooring, meticulously crafted to replicate the natural beauty of real wood.

Our planks are backed by a reassuring manufacturer's guarantee, embodying our commitment to enduring quality and reliability. Available in a wide array of colours and designs, each plank is crafted to enhance the aesthetic appeal of your living space.

Choose DecoLine for flooring that not only offers comfort and style but also provides peace of mind for your family's health and safety.

This version maintains the emphasis on health and durability while expanding on the benefits and variety of your vinyl flooring options.

Decoline

Antibacterial Properties

DecoLine vinyl planks are coated with colourless Ag+ nano-sized silver ion particles, forming an advanced anti-bacterial barrier. Silver effectively inhibits bacterial growth by deactivating their oxygen-metabolising enzymes, ensuring a safer flooring solution for you and your family.

Authentic Timber Feel

Vinyl planks present a premium and elegant choice, showcasing an authentically realistic wood aesthetic.

Easy to Repair

Our products are engineered for easy replacement. In the event of damage, a plank can be effortlessly lifted and replaced with a new one, guaranteeing straightforward maintenance and enduring aesthetic appeal for your floors.

Low Maintenance

Maintaining vinyl planks is straightforward. Regular sweeping and mopping with warm water are all that's required for effortless care.

Quick and Easy to Install

Vinyl planks can be installed over most existing hard floors as soon as your subfloor is dry, smooth, dust-free, and in sound condition. This flexibility in installation ensures a convenient process with minimal disruption, providing a smooth transition to your new flooring solution.

Tested at Temperatures of up to 80°C

We have undergone testing at temperatures ranging from 70°C to 80°C for a period exceeding 2 years.

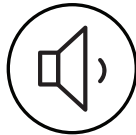

100% Water Resistant

Fully water-resistant, making them the ideal solution for both commercial and residential settings where frequent spills or wet conditions may occur.

Retains Heat

Our planks offer superior softness and warmth underfoot when compared to natural wood and stone flooring options.

Quiet Acoustic Qualities

Ideal for reducing noise levels in rooms such as playrooms, bedrooms, and garage/loft conversions, DecoLine vinyl planks eliminate the need for an underlay.

Durable and Adaptable

Easy to cut to size, locks securely into place and lays perfectly over any flooring surface. Its sturdiness and flexibility ensure the longevity of your flooring for years to come.

Pet Friendly

Our vinyl planks are scratch-resistant and easy to maintain, providing both comfort and durability for homes with pets.

Kids Friendly

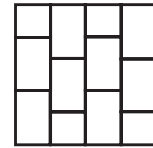

It provides a safe and comfortable environment for children, while its effortless maintenance ensures worry-free use in any situation.

Choose Design

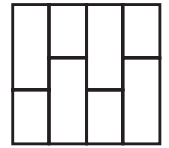

We offer a diverse selection of colours in 2.5 and 3.0 mm ranges.
Feel free to choose any colours that suit your needs.
