Clever features list

Sleek boards create a timeless and spacious aesthetic that offers simplicity and versatility making it suitable for a wide range of sizes and styles.

Say goodbye to size limitations. It reduces downtime and labor costs, ensuring your project is completed on time and within budget.

Combines a water resistant surface with a water resistant core to provide comprehensive protection against spills, moisture and water, ensuring both surface and core are less affected. Ideal for more areas of your home or project.

The 0.5mm wear layer achieves an optimal balance of wear resistance, scratch resistance, durability and cost. It can withstand high-frequency household use, while also meeting the performance requirements for light commercial applications such as offices and shops.
